Dear Sir/Madam,

RE Investing in our future: introducing the third sector young people's workforce capacity building project, London Bridge 23 March 2010

I'm delighted to invite you to the *Investing in our future* - an early opportunity to find out more about the third sector young people's capacity building project, which NCVYS and our partners are delivering in 2010/11.

The project, funded by the Children's Workforce Development Council, aims to provide 25,000 training accredited opportunities for volunteers and paid staff.

By attending *Investing in our future* you will be able to:

- Gain a **strong overview of the project** and the benefits for your organisations, staff and volunteers;
- Consider whether your organisation help **deliver some of the 25,000 accredited training places** or associated train the trainer opportunities;
- **Inform the delivery** of vital elements of the programme at early stages;
- **Meet with key staff** from NCVYS and our delivery partners – YMCA George Williams College and Skillsprofile.

This conference is free to attend. To register your place please complete the attached booking form and return to us via the instructions provided.
